

LEO Clubs are the youth organization of Lions Clubs International. We are a youth service organization dedicated to the well being of the people of the world and the communities we live in.

Our name, LEO, stands for Leadership, Experience and Opportunity.

The Oak Creek LEO Club was chartered in 2002. We work with youth and other Clubs in Oak Creek and surrounding communities to help people in ways that we can.

We are a co-ed club, open to youth 12 years old to college-age. We meet the third Tuesday of each month, September through June, to discuss leadership and volunteer opportunities in the community and needs that arise from month to month.

If you are interested in checking out volunteer opportunities available to you, we welcome you to join us at a club meeting, or talk to one of us at one of our summer activities!

FLAMINGO FLOCKING FUNDRAISING EVENT

Sunday, August 1st to
Sunday, August 15th

In the Oak Creek, South Milwaukee and Franklin Communities

We are planning for a spring event to benefit younger children in our community. We need to raise some money to make that happen, so we're bringing some friends to help us out!

What is a Flamingo Flocking?

Plastic pink flamingos, yes those wonderful icons of the 60s, are mysteriously placed on a lawn for one day. Flocking is done in good spirits and is not meant to be mean.

How long will the Flamingos remain on a yard?

The flamingos only remain on a lawn for one day and then they migrate to the next friend's (victim's) lawn. Our pink feathered friends will be migrating between August 1st and 15th.

Will it cost me anything to remove the flamingos?

No. Migration/removal of the flamingos is done at no charge. We simply ask that you do not harm our pink feathered friends.

Can I have the flamingos visit a friend of mine?

Yes! If you would like to specify the next migration point (victim), all we ask is a small donation to our group. We're sorry, but Flamingos are not allowed to flock on public property or at apartment complexes.

To arrange for a flocking simply e-mail: oakcreekleos@yahoo.com with your request or call our advisor, Lion Sharon at 414-507-7161.
